TRANSMISSION FLUID (TO) | WET BRAKE OILS (UTTO) | BEARING GREASES

AUTOMOTIVE OILS

4T ENGINE OILS – TECHNOFLUID FOUR-STROKE MOTORCYCLE ENGINE OILS

(20W-40 SM / SN, 15W-50 SN, 20W-50 SM, 10W-30 SM)

Commercial / Pack Name: 4T(20W40 API SM / 20W40 API SN /
15W50 API SN / 20W50 API SM / 10W30 API SM)

Technofluid 4T Engine Oils are premium-quality four-stroke motorcycle and scooter engine oils formulated to deliver superior engine protection, smooth clutch operation, and extended engine life. They provide excellent wear protection, thermal stability, and engine cleanliness, ensuring reliable performance.

TECHNOFLUID®

...decimating friction Since 1971

HYDRAULIC OIL – TECHNOFLUID HYDRAULIC OIL AW (ISO VG 32, 46, 68, 100, 150, 220, 320 & 460)

Commercial / Pack Name: HYDRAULIC OIL

32 / 46 / 68 / 100 / 150 / 220 / 320 / 460 AW

Technofluid Hydraulic Oil AW is a premium anti-wear hydraulic fluid formulated from high-quality, chemically stable base oils and a carefully balanced additive system. It contains anti-wear, antioxidant, anti-rust, and anti-foam additives that provide excellent protection. It is recommended for use in hydraulic systems of JCBs, cranes, dumpers, tractors, excavators and loaders.

TRANSMISSION FLUID - TECHNOFLUID TQ / ATF

Commercial / Pack Name: ATF (TQ)

Technofluid Transmission Fluid is a high-performance lubricant designed to provide excellent lubrication of gears, bearings, and hydraulic components while ensuring smooth torque transmission.

WET BRAKE OIL – TECHNOFLUID UTTO (UNIVERSAL TRACTOR TRANSMISSION OIL)

Commercial / Pack Name: UTTO (WET BRAKE OIL)

Technofluid Wet Brake Oil (UTTO) is a high-performance, multifunctional lubricant formulated for use in tractors and off-highway equipment equipped with wet brake systems. Effectively suppresses wet brake noise and chatter for reliable braking performance.

AN ISO 9001 : 2015 CERTIFIED CO.

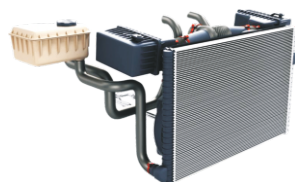

TECHNOFLUID®

...decimating friction Since 1971

ENGINE COOLANT / ANTIFREEZE – TECHNOFLUID COOLANT

Commercial / Pack Name : COOLANT (ANTIFREEZE)

Technofluid Coolant is an ethylene glycol-based, high-performance engine cooling fluid formulated to provide efficient heat transfer, freeze protection, and corrosion protection.

AUTOMOTIVE GEAR OILS – TECHNOFLUID EP SERIES

(SAE 90 GL-4, SAE 140 GL-4, SAE 75W-90 GL-4 / GL-5, SAE 80W-90 GL-4 / GL-5, SAE 85W-140 GL-4)

Commercial / Pack Name: GEAR EP (90 GL4 / 140 GL4 / 75W90 GL4 / 75W90 GL5 / 80W90 GL4 / 80W90 GL5 / 85W140 GL4)

Technofluid Automotive Gear EP Oils are high-performance extreme-pressure (EP) lubricants formulated for automotive gearboxes, differentials, and axles. They provide excellent lubrication and protection under high-load, shock-loading, and severe sliding conditions.

AUTOMOTIVE ENGINE OILS – TECHNOFLUID PCMO

Commercial / Pack Name: PCMO (5W30 API SN / 10W40 API SN / 15W40 API CF4 / 15W40 API CI4 PLUS / 20W50 API SN)

Technofluid Passenger Car Motor Oils are premium-quality lubricants specially formulated to provide outstanding engine protection and performance under severe operating conditions such as stop-and-go traffic, high temperatures, heavy loads, and extended drain intervals.

AN ISO 9001 : 2015 CERTIFIED CO.

WE FORMULATE WIDE RANGE OF GREASES

GREASE – TECHNOFLUID CALCIUM BASE GREASE

Commercial / Pack Name: GREASE C RED GEL / MP3 / SLR

Technofluid Calcium-Based Grease is a high-quality, water-resistant grease with a drop point above 90°C, specially formulated to provide excellent lubrication and protection for slow-speed bearings and general-purpose applications.

GREASE – TECHNOFLUID LITHIUM COMPLEX GREASE

*Commercial / Pack Name: LITHIUM COMPLEX GREASE
(RED GEL / BLUE GEL / 222)*

Technofluid Lithium Complex Grease is a premium, high-temperature, heavy-duty grease formulated with a lithium complex thickener and selected base oils. With a drop point above 235°C, it is designed for high-temperature applications and automotive wheel bearings operating under severe load and temperature conditions.

GREASE – TECHNOFLUID LITHIUM GREASE

Commercial / Pack Name: LITHIUM GREASE (AP3 / APLR)

Technofluid Lithium Grease is a premium, high-temperature, heavy-duty grease formulated with a lithium thickener and selected base oils. With a drop point above 190°C, it is designed for high-temperature applications and automotive wheel bearings operating under load and high temperature conditions.
